Order 1100 Furler, 1100-22 Long Toggle Link

** Care must be taken when ordering furling systems with long toggle/links. The standard systems come with the standard toggle/link automatically. If a long toggle/link is required, order the generic system with no toggle, i.e. the 1100, 2100 or the 3100 and then order the appropriate long toggle/link.

Note: Sta-Loc (non-swage) fittings are available for each furling system. Please contact customer service.
